

The background features a complex financial chart with multiple data series in various colors (blue, green, red, yellow). A prominent double-headed orange arrow is positioned vertically, pointing both up and down. The word 'HUNTRADERS' is written in a bold, teal, italicized font across the center. The chart includes various numerical values and grid lines, suggesting a technical analysis context.

HUNTRADERS

A dark, diagonal banner with a slight gradient is overlaid on the chart. It contains the text 'Technical indicators' in a large, white, sans-serif font. The banner is positioned from the bottom-left towards the top-right of the image.
